18: What do you like most about this course and/or the instructor's teaching of it?

Number of Respondents: 5 (83.3%)

The way he set up the lectures and notes.

Online lectures were well organized

His powerpoints are very helpful in clearing up confusing items in the readings.

Engaging topics

Very fair grading. The lecture slides make the material very easy to understand.

19: What about this course and/or the instructor's teaching of it needs change or improvement?

Number of Respondents: 2 (33.3%)

More feedback on tests, especially longer answers

I think everything is fine now.

20: What suggestions can you offer that would have made this course a better learning experience for you?

Number of Respondents: 4 (66.7%)

Not much, maybe some videos here and there.

If the questions and answers to the quizzes were available right away.

Outlines for the readings

Better feedback on the quizzes. For example letting the student know which questions are wrong and the correct answers.
